BLOWIN' IN THE WIND „Bob Dylan"   [A] [D] [E]   040

How many roads must a man walk down
Before you call him a man [2 x]
How many seas must a white dove sail
Before she sleeps in the sand [2 x]   Yes,
and how many times must the cannonballs fly
Before they're for-ever banned   [2 x]

The answer, my friend, is blowin' in the wind
The answer is blowin´ in the wind   [2 x]

Yes, and how many years must a mountain exist
Before it is washed to the sea   [2 x]
And how many years can some people exist
Before they're allowed to be free   [2 x] Yes,
and how many times can a man turn his head
And pretend that he just doesn't see   [2 x]

The answer, my friend, is blowin´ in the wind
The answer is blowin´ in the wind   [2 x]

Yes, and how many times must a man look up
Before he can see the sky   [2 x]
And how many ears must one man have
Before he can hear people cry   [2 x] Yes,
and how many deaths will it take 'til he knows
That too many people have died   [2 x]
The answer, my friend, is blowin´ in the wind
